

For rising 5th graders!

## Summer Fun with Reading, Writing, Math, and More!

# June 2022

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1	2	3	4
5	6	7	8	9	10 Last day of School!	11
12	13 Have an adult take you to the library to get your own library card. Check out some books.	14 Using a restaurant menu, choose an appetizer, salad and main dish. Find the total of your meal.	15 Start a summer diary, journal, or scrapbook.	16 Figure your age in months. Figure out how many days old you are.	17 Use sidewalk chalk to write an inspirational message.	18
19	20 Gather three store receipts. Find the total amount that was spent not counting the tax.	21 Play outside until you're tired, then take a break with a good book.	22 Make five triangles using ten toothpicks.	23 Invent a code (A=1, B=2, C=3, for example). Send a message in code to a friend or family member.	24 Watch this video. <a href="#">Marble Music Machine</a> What would your musical machine look like? Draw a picture of it!	25
26	27 Pack a picnic and read outside.	28 Survey five people to find their three favorite outdoor activities. Graph the results.	29 Write a family or neighborhood newspaper.	30 List at least 24 different combinations of coins that equal \$1.00. (There are 294 ways!)		

## Summer Fun with Reading, Writing, Math, and More!

# July 2022

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					1 <a href="#">Toy Story Tabata Workout</a>	2
3	4 A cantaloupe weighs 56 ounces. There are 16 ounces in a pound. How many pounds does the cantaloupe weigh?	5 Make a blanket fort to read in.	6 Measure the length and width of your bedroom. Multiply to find the area.	7 Take pictures of a special event. Put the pictures in order and write a story with a good beginning, middle, and end.	8 Go for a nature walk, collect fallen leaves, rocks, etc and create some earth art (artist inspiration: Andy Goldsworthy)	9
10	11 Have a family reading time - everyone sits in the same room and reads.	12 Roll two dice or number cubes. Total the numbers. Multiply that number by 4. Repeat this 5 times.	13 Design your own stationery and write a letter to a friend or family member.	14 Flip a coin 25 times. Write a fraction to show how many times it came up heads and one to show how many times it came up tails.	15 Choose a story you like and add sound effects using found objects.	16
17	18 Write two different number sentences that are equal to 48. Each must contain the four operations (addition, subtraction, multiplication, and division).	19 How many smaller words can you find in the word "watermelon?"	20 There are four cups in one quart and 4 quarts in a gallon. How many cups are there in 4 gallons of fruit punch? How many pints is this?	21 Write a poem about today's weather.	22 Write instructions to make a sandwich and have someone follow them exactly.	23

24	25 Watch a movie for a book you've read. Compare the two.	26 Ben has 6 square tiles. Each tile has a width of 8 inches. He lays the tiles down in a long row. What is the perimeter of the row of tiles?	27 Write a new ending to one of your favorite stories or books	28 Name the capital letters that when printed have at least one pair of parallel lines. Are there any that have two pair of parallel lines?	29 Design the coolest club house ever! Draw it.	30

# August 2022

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	<p>1 Calculate the average age of the people that live in your house. How would it change if your grandmother lived with you and she is 90 years old?</p>	<p>2 Read outside on your front steps or under a tree.</p>	<p>3 Do jumping jacks for one minute and count how many you were able to do. Do sit ups for 15 seconds and count how many you were able to do. Divide the number of jumping jacks you did by the number of sit ups you did.</p>	<p>4 Take a walk. Write about something you see</p>	<p>5 Create a comic strip or flip book about you as a superhero. What powers will you have? Who will be the villain?</p>	6
7	<p>8 Read a good book while you munch on your favorite snack.</p>	<p>9 If you get up at 7:30 a.m. and need to be at your friend's house at 8:15 a.m., how much time do you have to get ready if it takes you ten minutes to walk there?</p>	<p>10 An animal has escaped from the zoo! Make up a story and write it down. Add pictures, if you'd like.</p>	<p>11 Evan can paint 18 boards in one hour. His brother can paint 4 fewer boards per hour than he paints. How many boards can they paint in 3 hours, 30 minutes?</p>	<p>12 Explore the <a href="#">Health and Nutrition Cookbook</a> and make some recipes with your family. (Do not make anything without help from an adult.)</p>	13
14	<p>15 Using a restaurant menu, have each family member decide what he/she would order. Find the total cost of all the meals.</p>	<p>16 Read a nonfiction book and tell someone 5 important facts you learned.</p>	<p>17 Get a box of pasta or other dry food from your kitchen. Estimate how many items are in the box. Count to see how close you are.</p>	<p>18 Make your own joke book. Collect jokes and riddles from your family and friends.</p>	<p>19 Build a paper airplane launcher</p>	20
